

ROBERT LIENAU · BERLIN-LICHTERFELDE
(vormals Schlesinger'sche Buch- und Musikhandlung)

Zur Neuauflage

Fanny Caecilie Hensel, geborene Mendelssohn Bartholdy, wurde am 14. November 1805 als älteste Schwester von Felix Mendelssohn Bartholdy in Hamburg geboren. Nach einem zwar kurzen aber ausgefüllten Leben im Zentrum des musikalischen Geschehens von Berlin starb sie im Mai 1847.

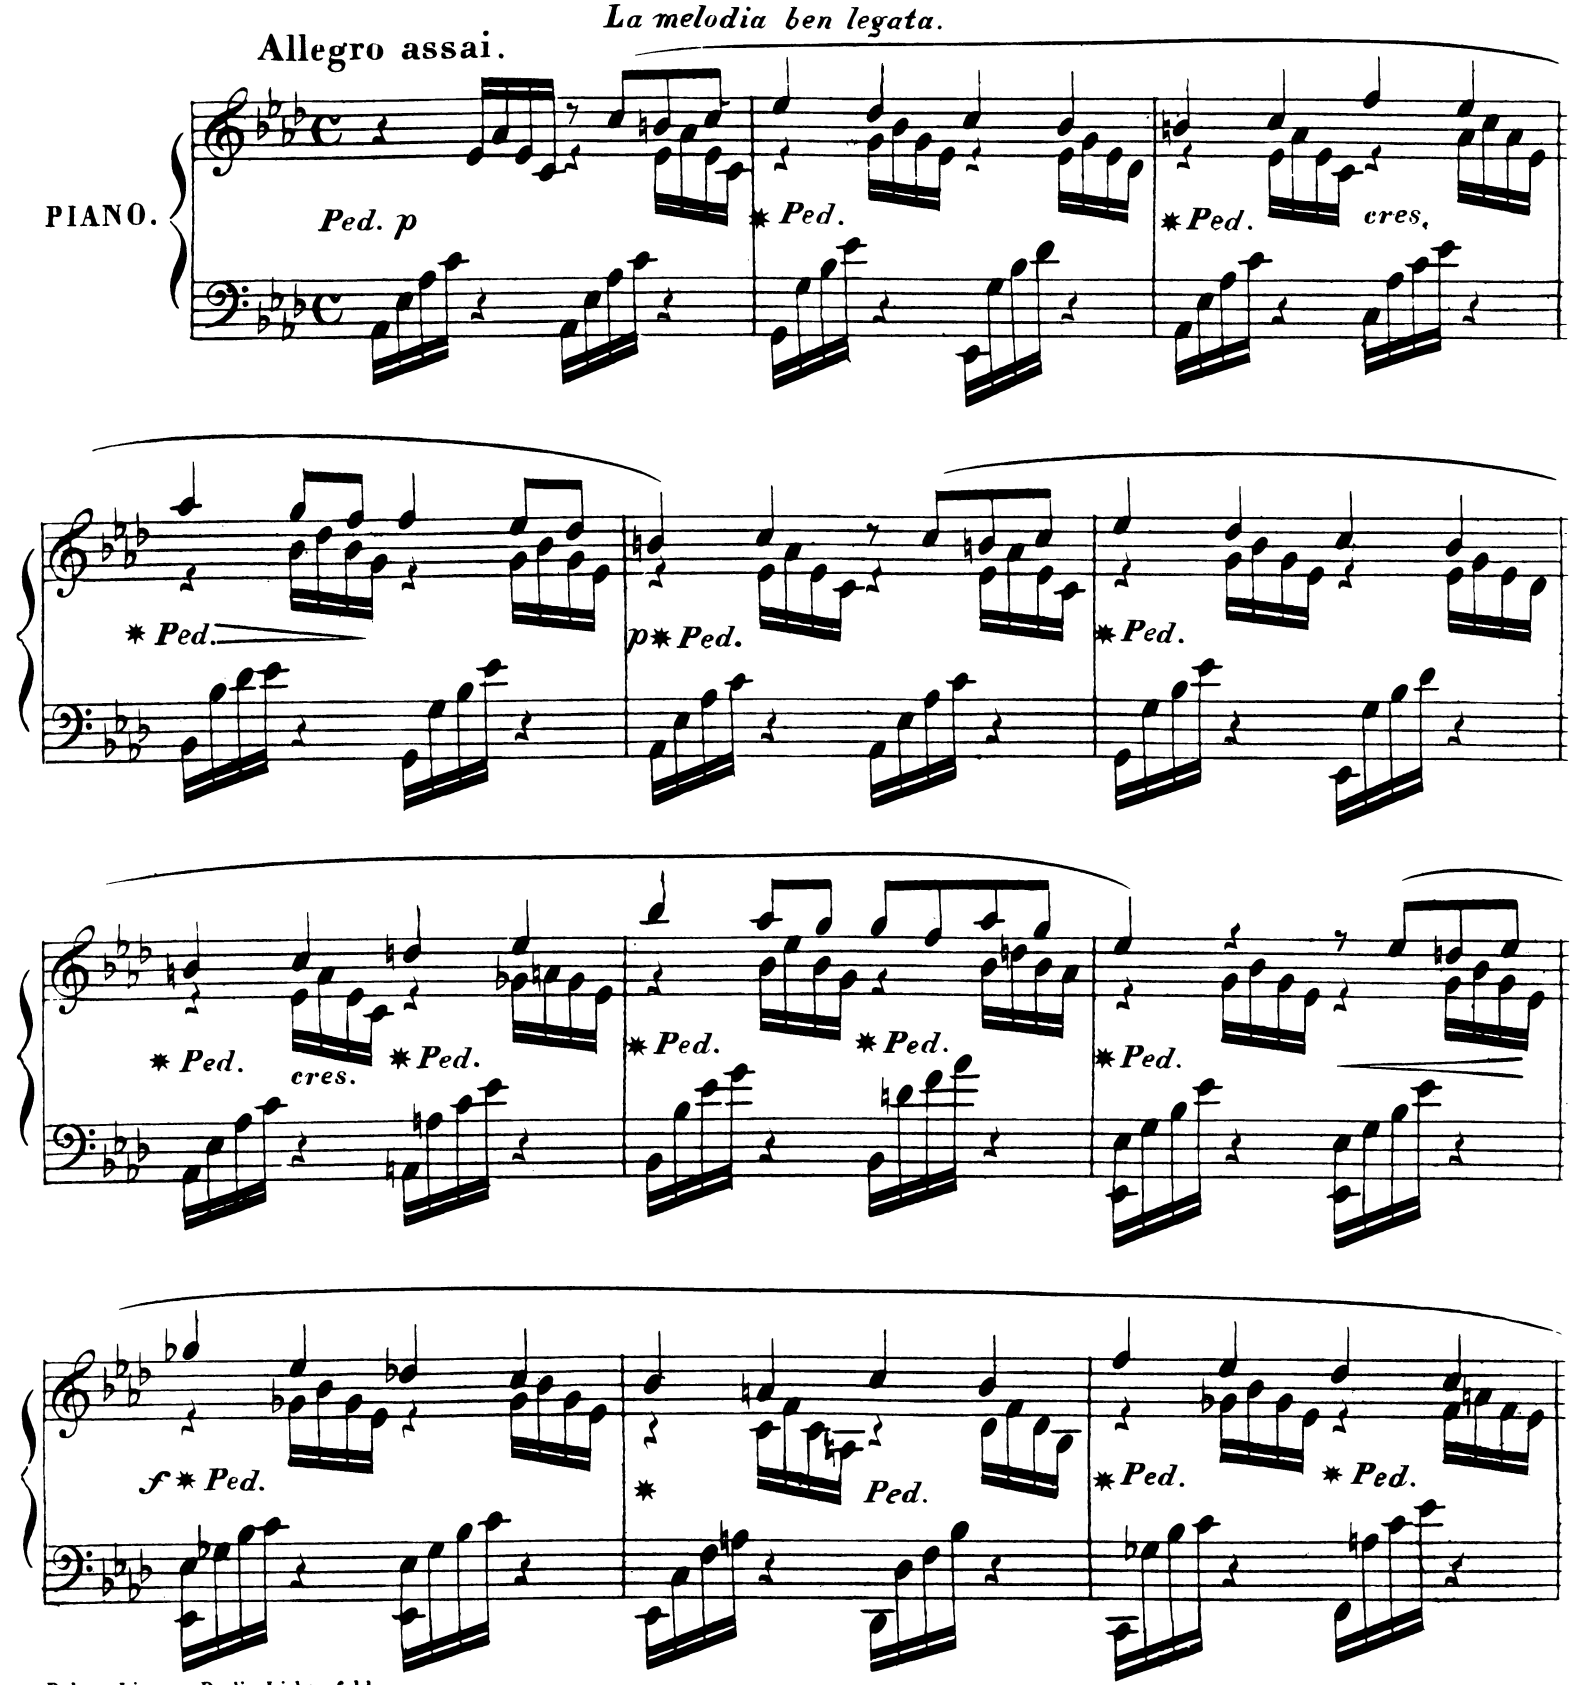

Die wissenschaftliche Forschung über Fanny C. Hensel ist bis heute noch nicht abgeschlossen. Ihre Kompositionen sind weitestgehend unbekannt. Die Lieder op. 1 und op. 3, ihre Klavierwerke (Bagatellen, Mélodies pour le piano, Lieder für das Pianoforte) op. 2, 4, 5, 6 und 8, sowie ihr Klaviertrio op. 11 wurden teils zu ihren Lebzeiten, teils nach ihrem Tode zwar gedruckt, sind aber alle vergriffen. Durch die Gründung des Mendelssohn-Archivs bei der Staatsbibliothek Preußischer Kulturbesitz in Berlin 1965 kamen Handschriften und Teile des Nachlasses in öffentlichen Besitz und sind der Forschung zugänglich.

Seit Bestehen des Arbeitskreises FRAU UND MUSIK e.V. (gegründet 1978 in Köln) verstärkt sich das Interesse an der Musik von Komponistinnen in großem Maße. Verschiedene Musikwissenschaftlerinnen und Interpretinnen widmen sich ganz speziell dem Lebenswerk der Komponistin, Pianistin, Brief- und Tagebuchschreiberin Fanny Hensel, um ihre längst überfällige Anerkennung in der Öffentlichkeit einzuleiten.

Mit der vorliegenden Neuauflage von op. 4 und op. 5 in einem Heft trägt der Originalverlag Robert Lienau, vormals Schlesinger, das Seine dazu bei, daß die musikalisch faszinierende Klaviermusik dieser außergewöhnlichen Komponistin wieder gespielt und gehört werden kann.
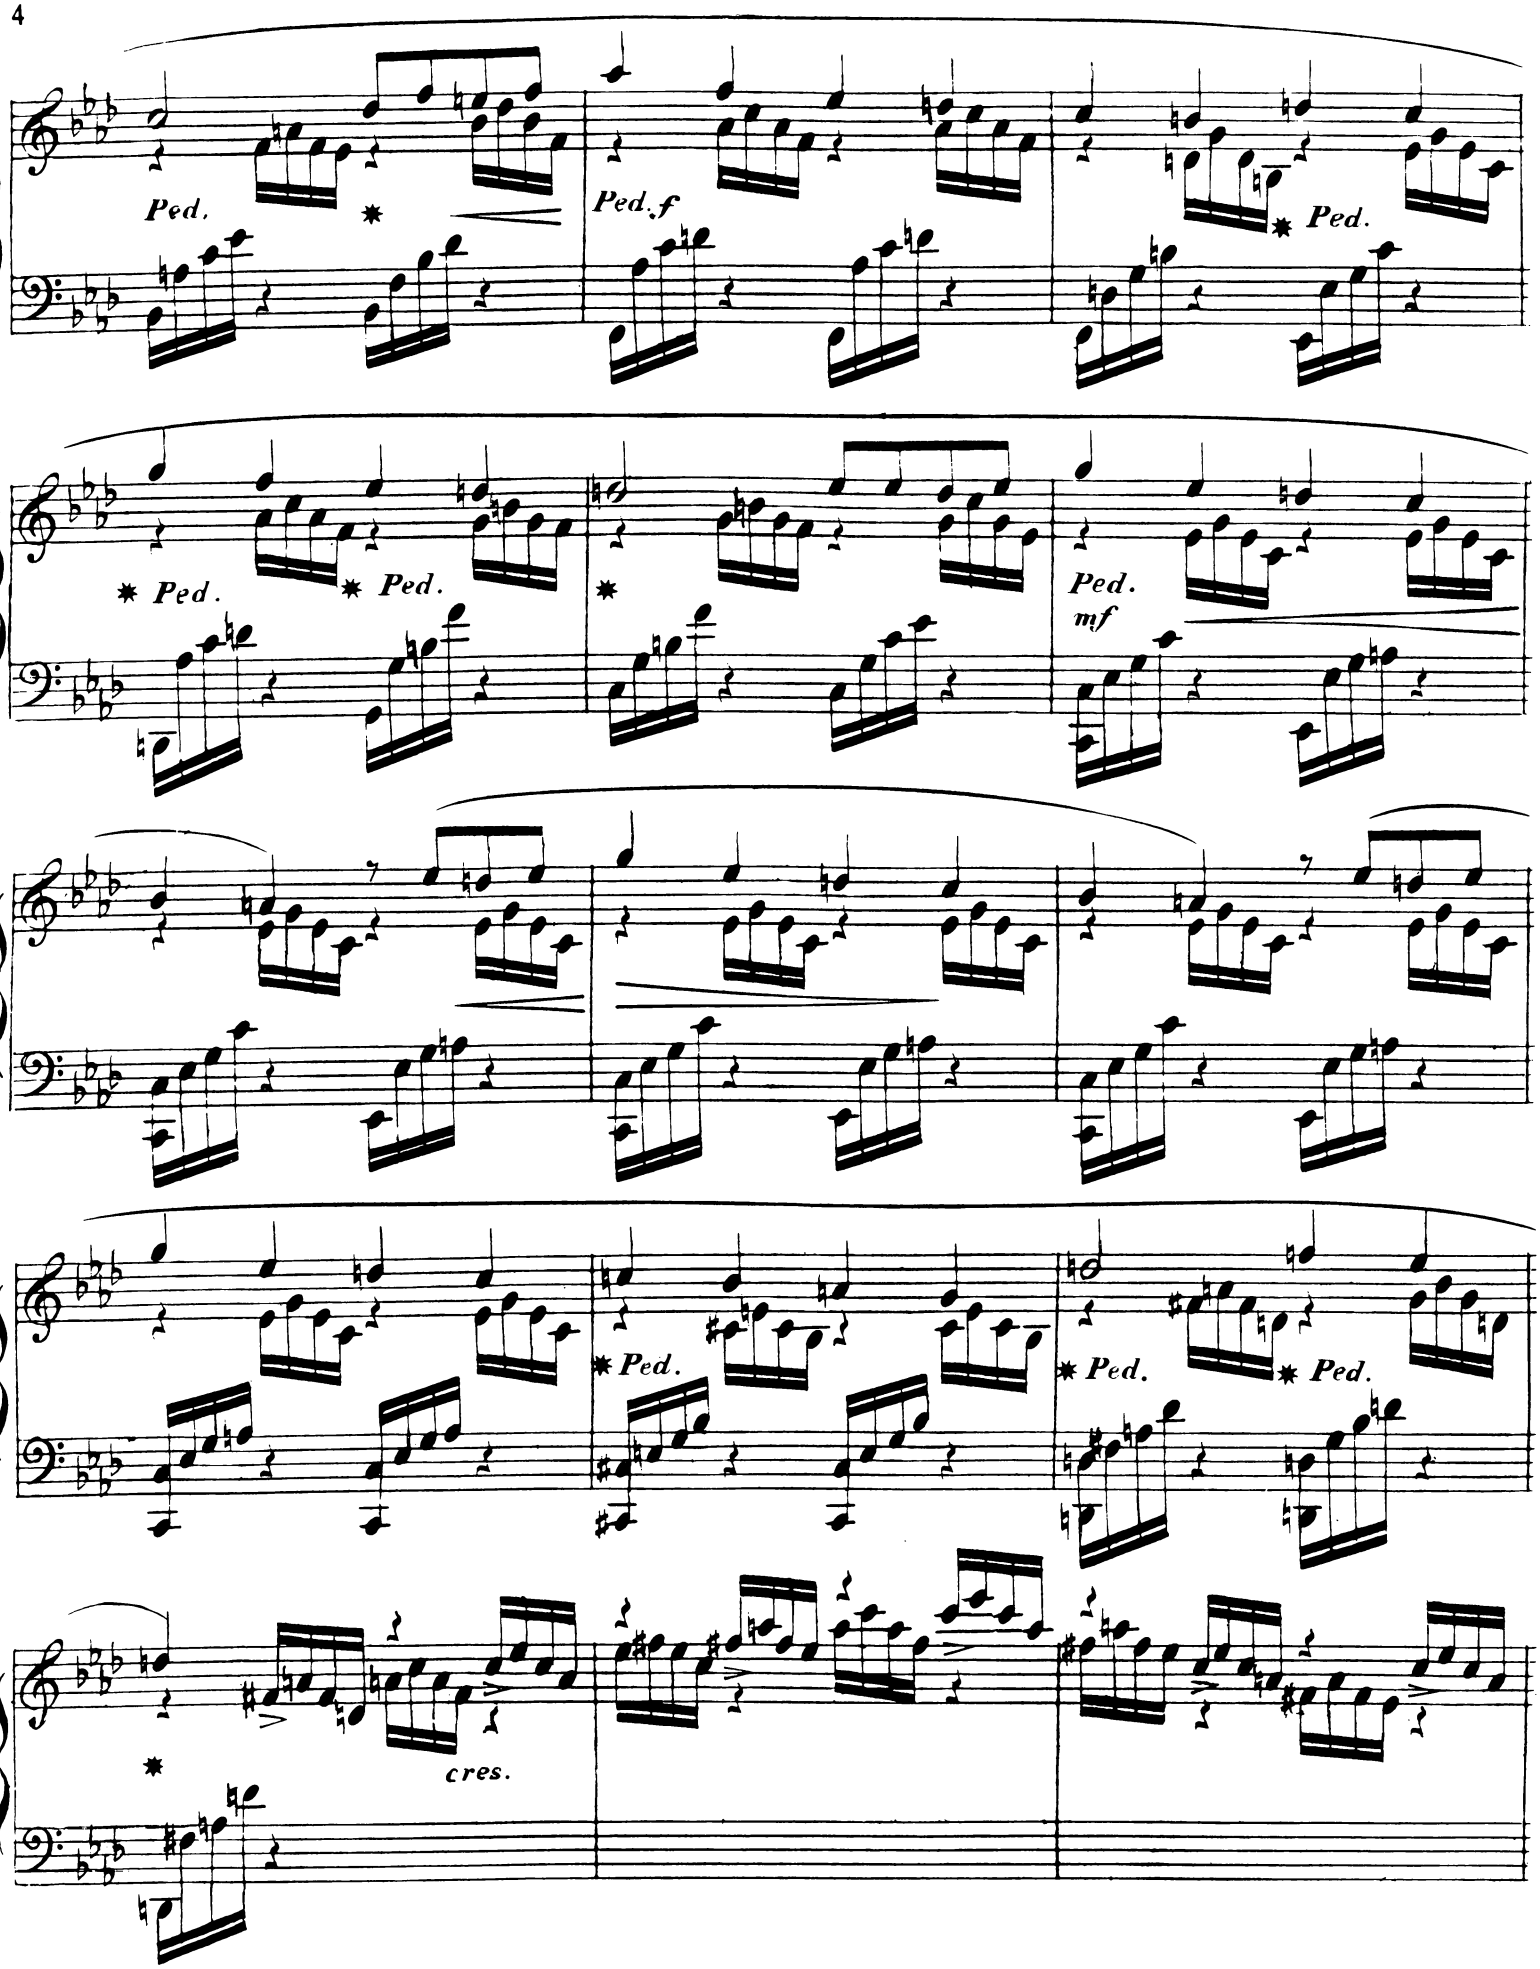

Darmstadt, im Oktober 1982 Barbara Heller
